

Nextiva Teams integration

Bring reliable Nextiva Phone Service and award-winning Amazing Service® to the familiar Microsoft® Teams experience.

Reliable phone service

Get more out of Microsoft Teams collaboration by pairing it with reliable, enterprise-grade phone service from Nextiva.

- ✓ Manage all your phone settings with Nextiva, such as call routing and call groups, with no additional licensing.
- ✓ Keep any existing Nextiva numbers, handsets, routing, CRM integrations, and call center functionality that's already configured in Nextiva Phone System.

Enterprise-ready

Nextiva Teams integration utilizes highly resilient software architecture and highly reliable Microsoft Azure server infrastructure.

- ✓ Use single sign-on with Microsoft O365, and you're ready to go.
- ✓ The integration is monitored and supported 24/7.
- ✓ Enterprise-grade encryption and security is built in.

Easy to set up and manage

Use the native dialer interface to keep your team members in the familiar MS Teams experience without needing to purchase, manage, or train on multiple phone systems.

- ✓ The fully managed service reduces overhead.
- ✓ There's no hardware or software to purchase or install.
- ✓ Purchase any SIP phone from Nextiva, and use it with MS Teams.

“I can't really say enough about the support. Nextiva is top-notch when it comes to any issues that I have. It is thorough, it is responsive, and it's professional.”

Rich Sparkman,
Director Of Technology at [Shelby American](#)

Connect everything. Achieve anything.

We're the only company bringing together communications, customer management, intelligence, and automation into a single purpose-built solution to enable deep customer understanding, while eliminating application clutter.

We optimize business users' time and enable them to increase team efficiency and orchestration and build customer relationships that last.

We're known for security and reliability.

We have the most reliable network in the industry. In 2020, the Nextiva network supported 2.4 billion conversations with 6 billion minutes of talk time.

We have eight points of presence across the continental U.S., and all of our data centers are ISO/IEC 27001 audited and certified. We offer solutions that are SOC 2 and PCI compliant, and we have HIPAA-compliant voice, video, and fax services.

We deliver Amazing Service.

Nextiva provides award-winning Amazing Service with a dedicated team of employees who are committed to our customers' success and available 24x7.

Our support teams are rated the best in the industry by numerous services, and offer concierge implementation and user training for complex deployments.
